

‘Get one step closer to your costumers!’

Istvan Kertesz, retaildesignblog.net

1500 shops, 400 hotel & restaurant, 300 branding, 460 visual merchandising and shopwindows, and much more: a total of over 3500 posts*, our ever-growing number of posts provide a fresh and wide source of inspiration for retail design professionals and enthusiasts. Over 20 000 visitors a day visit the blog right now, 58% of whom are returning visitors. The key to our success is that we provide lots of new and valuable content to our readers.

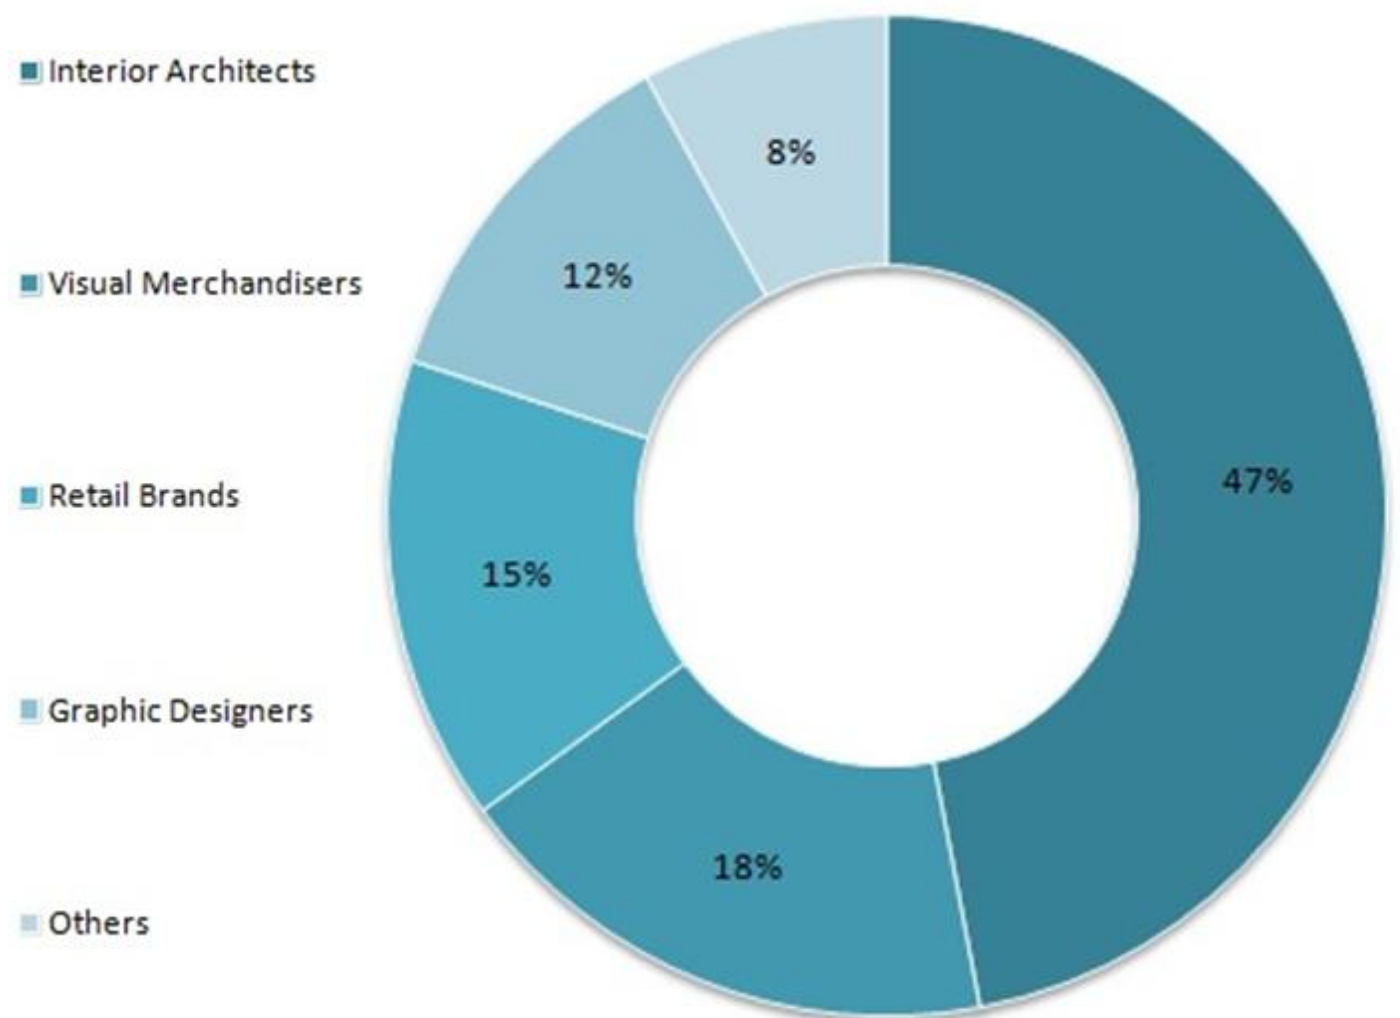

Our success can be your success: by placing advertisement on retaildesignblog.net, you will be one click away from your potential new costumers. We can deliver more attention to your advertisement than most of the printed media, at a comparably lower cost.

retaildesignblog.net

The vast majority of the visitors are from your potential target groups: interior architects, visual merchandisers and fashion brands browse the blog, looking for inspiration, news, products to use and solutions to implement in their work.
